Candidly, You've Exceeded Our Loftiest Expectations!

Word gets around is lovely when you have good neighbors. We are excited to tell you the first edition of our newsletter was a smashing success. We had no idea many of our business neighbors and partners would be eager to share our newsletter with their friends and customers.

Our doors are ready to welcome you into our home.

It's amazing what happens when good people come together. Our Daytona location has been open for less than a year, yet many people are starting to hear about it. For example, at one of our recent art events, someone said they were unaware of our beautiful facility. They know about it now, and she's telling everyone.

Another participant in the event asked if we could host her baby shower. Our answer, of course, was YES! We're happy to host events inside or out, depending on the weather. We encourage you to drop by. Enjoy a cup of tea or coffee from our relaxing verandas. We'd love to have you drop by for a casual visit.

Your Wonderful Google Reviews Are Making Us Blush.

Many of you who have stayed with us have given us 5-star reviews. You've touched our hearts. Thank you. Here's a snippet of what our guests are saying:

On September 23rd, Guests Were Treated to a Wonderful Evening of French & Italian Wine Tasting event — Paired With a Broadway-Level Opera by Local Performers.

Last month, Golden Magnolia Resort hosted a fantastic event featuring two professional opera singers and pianists with excellent wines from France and Italy. The evening allowed guests to enjoy appetizers and world-class opera performers in an intimate setting.

The evening was very different from traditional Operas. We were able to combine two separate events into one extraordinary evening.

Many people have asked, and we have good news. Our performers will be returning soon. We will let you know in next month's newsletter's "Upcoming Events" section. If you want to see professional operas without Broadway costs and headaches, consider joining us for an upcoming event. It's a setting you won't find anywhere else. We hope to see you soon!

Our performers were outstanding. Not only were they excellent singers, but they were very personable with the audience by sharing their backstories. Their personal touch benefited those in attendance who were unfamiliar with operas.

Golden Magnolia Resort is Proud to be a Sponsor of — ‘A Night In Daytona Beach’s Golden Age’

Historic Impressionists of Florida present the Annual Baron's Ball -- a fun-filled evening that honors the beautiful turn-of-the-century history of the Daytona Beach area! The event is set between 1890 and 1920 for attire or modern formal wear.

One of the pioneers of this area was Henry Flagler. He bought the Ormond Hotel in 1889, making it a must-stop for wealthy vacationers in Florida. John D. Rockefeller, who for years came to this area in the winter. During this time, the rich and the famous came to vacation and winter in Ormond Beach. These included Edward, the Prince of Wales.

2022 Host: The Halifax River Yacht Club

This year's Ball will be held at the Halifax River Yacht Club. Founded in 1896, it's the oldest continually operating yacht club in the Eastern United States.

Spend a Nostalgic Evening With Daytona's Rich & Famous Pioneers

Members of Historic Impressionists of Florida will greet guests, then be directed to the upstairs, where they can enjoy a complimentary champagne reception and entertainment throughout the evening.

Chef Eric and the Club's fabulous staff will provide a table service gourmet dinner. There will also be a cash bar available featuring period cocktails. A silent auction will have local items, including fabulous collector pieces and extraordinary local artistry! Golden Magnolia Resort donated two nights of accommodation as part of the auction.

Who are the Historic Impressionists of Florida?

Historic Impressionists of Florida is a group of historic reenactors covering Florida's history from the 1500s to the 1920s. Their goal is to educate the public on the diverse history of our State while allowing them to enjoy the experience. Members of the organization participate in events throughout Florida during the year - from the Spanish colonization in St. Augustine through the Seminole Wars, the Civil War, the Victorian period, and the Roaring 20s. Their motto is "Education Through Impressionism".

Historic Impressionists of Florida is a registered 501(c)3 non for profit. Besides attending and producing historical events, they also make appearances at nursing homes, participate in parades and assist by volunteering at events and tours of Florida's historic locations, homes and buildings. Our forefathers would be proud of those who donated their time to bring back the golden era.

It's All About Finding Calm In The Chaos. *That's exactly what this group of ladies did the other day on our resort veranda.*

Sometimes we all could use a break from life's daily grind. That's what we recently created for a small group of ladies at the resort.

It was a beautiful afternoon. The humidity was down and the sun was up. A perfect setting to host a small group of young mothers eager to learn a little about art: their goal was also to eliminate a little stress from living life with an active family.

With that in mind, we created a masterclass taught by a local artist. It wasn't a traditional art class for painters. This was different. While we provided art skills, we focused as much on meditation and relaxation. Our

collective goal was to give the ladies a setting where they could relax and mingle — and enjoy a glass of wine and a little fresh air. That's what we gave them. And we managed to do it without power due to Hurricane Ian. Our thanks to an understanding group of ladies — and our hard-working staff — we managed to pull the event off without a hitch. We thank everyone who pitched in and made this event a great experience.
